SwimLine Danube W-Flow

14'9" × 7'8" × 4'9" | 2 sitting places, swim area

Exceptional solutions, available with semi cabinet design. We have now designed two sitting places. Immersive visuals: two sides illuminated fountain jets. A side-mounted filter housing is now placed at the end of the swimming area, so that the floating area is wider, more than 20 in. W-Flow: specific training solutions with customizable swim features.
